Overview

Your P&F is guided by the Tasmanian Catholic Schools Parents Council and OLOM Principal and adds great value to the school and our school community.

We provide an opportunity for parents to meet formally and regularly with the Principal or school representative.

In relation to fundraising, the Board, the P&F and the Principal work towards shared decisions in relation to the needs of the school and how funds raised by the P&F could best be used to meet the needs of the school.

P&F provides you an opportunity to connect with fellow parents, make friends, learn more about what is going with your child’s school, raise funds for school projects, just to name some of their responsibilities.

Our main purpose is to facilitate involvement, contributions and networking between parents, parents, parish and the school.

P&F Levy

Each year families are asked to contribute by paying a P&F levy. This levy is included in the invoice of school fees.

The levy enables the P&F to continue to provide resources for the school.

Events such as the OLOM Information Evening with Free Welcome BBQ is cooked and supplied by your P&F.
